KALYAN GIANCHANDANI

MBA, Infrastructure Development and Management (Currently Studying), SCMHRD | Pune, India

PROFESSIONAL SUMMARY

Architect by training with hands-on exposure to B2B sales, product management and content strategy. Experienced in field research, stakeholder engagement and building structured recommendations, developed through an internship, startup roles and national-level case competitions. Currently pursuing an MBA at SCMHRD, Pune.

WORK EXPERIENCE

Summer Sales Intern: Hilti India Private Limited
Ahmedabad | Apr 2026 to May 2026 | 2 months

- Assessed the business potential of Hilti's power tools across diaphragm wall and precast segments, completing 37 field visits across 20 jobsites and 40+ construction sites.
- Identified a coring whitespace opportunity and built a value-for-money model comparing outsourced and in-house coring for sales conversations.
- Presented findings and a unit-economics toolkit framework to the Sales Director and Area Sales Manager.

Live Project, Agentic AI and Sales Automation: Impact Health
New Delhi | May 2026 to Aug 2026 | 4 months

- Designed an n8n-based AI sales agent for prospect research, qualification and sales intelligence.
- Mapped the B2B sales funnel and customer journey to identify automation opportunities across lead generation, qualification, outreach and follow-ups.

Content Strategist: Archinza Connect Pvt Ltd
New Delhi | Jan 2024 to Apr 2025 | 16 months

- Contributed to product management for a design and construction matchmaking platform, supporting key milestones from ideation through launch and development.
- Developed UX copy and conceptual wireframes for onboarding, business dashboards, chatbot interactions and the homepage, and conducted market research and surveys to inform product strategy.
- Optimised platform workflows by identifying inefficiencies and proposing automation to improve engagement and retention, coordinating UI/UX, AI-LLM, web development and marketing teams.
- Adapted quickly to technical domains such as AI-LLM and UI/UX, despite coming from a non-technical background.

Social Media Manager and Content Strategist: LTDF Architecture + ID
New Delhi | Jul 2022 to Mar 2023 | 9 months

- Led the studio's rebranding effort, including website revamp, content flow design and branded assets.
- Managed social media strategy, ad campaigns and SEO to increase visibility for the studio's architectural projects.
- Created photography, video and written content across digital platforms, and directed photo shoots with architectural photographers.
- Collaborated with PR agencies and senior editors to pitch projects to Elle Décor, Architectural Digest and Hindustan Times, leading to more than 40 media features.
- Created client presentations, case studies and business decks that showcased the studio's work and helped secure new opportunities.

Live Project, Ed-Tech Sales and Customer Acquisition: Pratilipi
Bangalore | Dec 2023 to Jan 2024 | 2 months

- Drove high-ticket course sales by understanding customer needs, building trust and communicating value.
- Developed content-led acquisition strategies to grow engagement in online workshops.
